

Ideal flexible substrate

Versatile Colorless Polyimides

- ▼ High temperature stability
- ▼ Effective moisture barrier
- ▼ Smooth surface
- ▼ No need for UV curing
- ▼ Acid- and solvent-tolerant

Stable and easy to process in organic solvents, with roll-to-roll processing capabilities, flexural endurance, and a low dissipation factor

- ▼ Flexible displays
- ▼ Color e-paper
- ▼ OLEDs
- ▼ OPVs
- ▼ Aerospace applications
